Resolution 2: Ordinary Resolution

The Proposed Renewal of the Share Purchase Mandate

THAT:

BY ORDER OF THE BOARD

Genevieve Tan McCully (Mrs)
Company Secretary

Singapore
6 June 2013

Notes:

1. A member entitled to attend and vote at the Extraordinary General Meeting is entitled to appoint a proxy to attend and vote on his/her behalf. A proxy need not be a member of the Company.
2. The instrument appointing the proxy that has been executed by a member must be lodged at the registered office of the Company at 10 Eunos Road 8, Singapore Post Centre, Singapore 408600 (Attention: Secretariat), not less than 48 hours before the time appointed for the Extraordinary General Meeting. The sending of a Proxy Form by a member does not preclude him from attending and voting in person at the Extraordinary General Meeting if he finds that he is able to do so. In such event, the relevant Proxy Forms will be deemed to be revoked.
3. In relation to Resolution 2 relating to the proposed renewal of the Share Purchase Mandate, the Company intends to use internal and external sources of funds to finance its purchase or acquisition of Shares. The amount of financing required for the Company to purchase or acquire its Shares, and the impact on the Company’s financial position, cannot be ascertained as at the date of this Notice as these will depend on the number of Shares purchased or acquired, whether the purchase or acquisition is made out of profits or capital, the price at which such Shares were purchased or acquired and whether the Shares purchased or acquired are held in treasury or cancelled.

Based on the existing issued shares of the Company as at 10 May 2013 (the “**Latest Practicable Date**”), and disregarding the 39,947,000 shares held in treasury as at the Latest Practicable Date, and assuming no further Shares are issued, and no Shares are purchased or acquired by the Company, or held as treasury shares, on or prior to the Extraordinary General Meeting, the purchase by the Company of 10% of its issued Shares will result in the purchase or acquisition of 189,352,161 Shares.

In the case of market purchases by the Company and assuming that the Company purchases or acquires the 189,352,161 Shares at the Maximum Price of S\$1.3933 for one Share (being the price equivalent to 5% above the average of the last dealt prices of the Shares for the five consecutive market days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 189,352,161 Shares is S\$263,824,366.

In the case of off-market purchases by the Company and assuming that the Company purchases or acquires the 189,352,161 Shares at the Maximum Price of S\$1.4597 for one Share (being the price equivalent to 10% above the average of the last dealt prices of the Shares for the five consecutive market days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 189,352,161 Shares is S\$276,397,349.

The financial effects of the purchase or acquisition of such Shares by the Company pursuant to the proposed Share Purchase Mandate on the audited financial statements of the Group and the Company for the financial year ended 31 March 2013 based on these assumptions are set out in paragraph 3.7 of the Circular.

4. In relation to Resolution 3 relating to the proposed adoption of the New Plan, although the rules of the New Plan provide that the maximum number of new Shares which may be issued under the New Plan and the Existing Scheme is limited to 10% of the total number of issued Shares (including treasury shares), Resolution 3 provides for a lower limit, namely, 5% of the total number of issued Shares (including treasury shares), as the Company does not anticipate that it will require a higher limit before the next Annual General Meeting.
